**RESOLUTION T-16657
June 27, 2002**

RESOLUTION

RESOLUTION T-16657. REVOCATION OF CERTIFICATES OF PUBLIC CONVENIENCE AND NECESSITY OF 28 COMPETITIVE CARRIERS FOR FAILURE TO COMPLY WITH COMMISSION DECISIONS.

SUMMARY

This resolution revokes the competitive carrier Certificates of Public Conveniences and Necessity (CPCNs) held by the 28 companies listed in the Discussion Section for failure to comply with Decision 93-05-010, Ordering Paragraph 4.

BACKGROUND

Decision 93-05-010 Ordering Paragraph 4 states that the Commission will consider the revocation of competitive carriers that are more than 90 days late in filing annual reports and remitting surcharges. The ordering paragraph is being used to demonstrate inactivity on the part of these carriers, not delinquency.

Several steps were taken to locate the 28 companies and determine their status:

1. Telecom Division's (TD) record of surcharge payments was searched.
2. Last known addresses for these companies are not current. Requests for information on these companies' addresses and statuses were made in the Commission Calendar.
3. Notice of company names to be revoked was placed in the Commission Calendar. Interested parties were invited to call Telecom Division staff with questions or comments on these carriers' revocations.

If and when our records show that these companies were active, they paid all required surcharges.

The results of each search for these companies may be summarized as follows. TD's records show that none of the companies has submitted either surcharge forms or surcharges during the calendar year 2001. TD's draft resolution in this matter was

noticed in the Commission's Daily Calendar beginning on May 13, 2002, in accordance with PU Code Section 311(g)(1). No comments were received from any party.

FINDINGS

1. The companies on the above list were certificated by the Commission as competitive carriers.
2. Adequate measures were taken by Telecom Division staff to locate these companies. Each company had failed to respond to TD's communications. It is, therefore, reasonable to assume that these companies are no longer providing public utility service.
3. The companies' CPCNs should be revoked and their Utility Identification Numbers should be cancelled for failure to comply with D.93-05-010 Ordering Paragraph 4.

THEREFORE, IT IS ORDERED that:

1. The competitive carrier Certificates of Public Convenience and Necessity granted to the following companies are revoked:

	<u>Type</u>	<u>CPCN#</u>	<u>Company Name</u>
1.	IEC/CLR	5044	Napa Valley Telecom Services
